PROFILE

Sudan-focused humanitarian programme and grants specialist with 7+ years of experience across community-led response, civil society, governance and conflict-affected settings. Proven record in programme-cycle coordination, context and conflict analysis, partner accompaniment, donor reporting, budget and workplan monitoring, and senior stakeholder engagement. Brings deep knowledge of Sudan, active relationships across grassroots responders and humanitarian actors, and direct experience supporting food security, livelihoods, protection, accountability and emergency-response portfolios. Fluent in Arabic and English.

CORE CAPABILITIES

- Programme-cycle management, workplans and monitoring
- Grant coordination, budget follow-up and compliance
- Food security, livelihoods and emergency response
- Donor reporting, briefs and knowledge products
- Sudan context, actor and political-economy analysis
- Partner management and institutional capacity support
- Conflict sensitivity, protection and do-no-harm
- Arabic-English facilitation and stakeholder engagement

PROFESSIONAL EXPERIENCE

Grant & Project Coordinator / Community Lead (Consultant) | CDAC Network

Sep 2024 - May 2026 | Remote / Sudan

- Coordinated Sudan delivery across the Sudan Local Lifeline and a digital-networks pilot, aligning workplans, milestones, partner and consultant deliverables, reporting schedules, selected payments and risk controls for an FCDO-supported programme.
- Conducted conflict, actor and information-environment analysis through trusted networks across Sudan, translating findings into programme decisions, donor briefs and recommendations for international and civil-society stakeholders.
- Designed and facilitated consultations, co-design workshops and learning processes with Sudanese CSOs, journalists, Mutual Aid Groups and community responders in conflict-affected locations.
- Applied conflict-sensitive and do-no-harm approaches, supported responsible data practice and accountability to affected people, and adapted delivery to fast-changing access and protection risks.
- Produced timely donor reports, briefing notes, case studies, learning products and senior-management updates in English and Arabic; represented programme evidence in coordination and partner discussions.

Project Controller | Sudanese Development Call Organization (NIDAA)

Jan 2024 - Jul 2024 | Sudan

- Coordinated humanitarian grants supporting food security, livelihoods and protection, including partner follow-up, implementation tracking, workplans, budget monitoring, procurement planning and donor documentation.
- Supported local partners and grassroots organisations to meet reporting, compliance and delivery requirements during active conflict; prepared programme reports, operational updates and risk follow-up.

Programme Officer | Fikra for Studies & Development

Dec 2022 - Jan 2024 | Sudan

- Coordinated donor-funded activities, workshops and stakeholder meetings; maintained implementation records and prepared progress reports, briefs and programme documentation.
- Managed partner and consultant communication, administrative follow-up and activity tracking across civic and development initiatives.

Business Development Specialist | Capital Plus Co. Ltd

Nov 2021 - Mar 2023 | Sudan

- Analysed markets and business processes, developed partnerships and supported service-development strategies in a complex operating environment.

Executive Office Manager | National Information Center

Mar 2021 - Nov 2021 | Sudan

- Managed executive-office operations, prepared reports and coordinated engagement with senior public-sector and institutional stakeholders.

HUMANITARIAN LEADERSHIP & FIELD NETWORKS

External Communications, Protection & Humanitarian Access Volunteer | Emergency Response Rooms (ERRs)

Apr 2023 - May 2026 | Sudan / Remote

- Founding member supporting external engagement, protection coordination, needs and risk analysis, humanitarian-access dialogue and documentation for community-led emergency response.
- Connected volunteers and community leaders with UN, donor, diplomatic and humanitarian actors; communicated community priorities and supported accountability and protection-sensitive approaches in hard-to-reach settings.
- Built extensive working relationships across Sudanese Mutual Aid Groups, local organisations, community leaders and international response stakeholders.

Peacebuilding Trainer / Trainer of Trainers | Community & Civil Society Networks

2018 - 2022 | Darfur, Blue Nile & other localities

- Designed and delivered participatory training on conflict and power analysis, actor mapping, conflict management, negotiation, mediation, accountability and communication during conflict.
- Adapted content to locality, literacy level and political sensitivity; supported peer facilitators to transfer learning through local networks.

Founding Member & Former Spokesperson | Khartoum North Resistance Committees

2018 - 2023 | Khartoum, Sudan

- Supported non-violent civic mobilisation, participatory organising, public communication and engagement across diverse community and political constituencies.
